

Food Assistance

- Food banks across Georgia are providing meals to those who need them, with precautions to protect health and safety. Find a food bank in your area here: <https://georgiafoodbankassociation.org/find-your-food-bank/>
- Foodfinder US is a resource for families to quickly find food assistance programs. To find food assistance near you, click here: <https://foodfinder.us/>
- For student meal pick up by school-district: <https://www.gpb.org/blogs/education-matters/2020/03/16/student-meal-pick-information-by-school-district>

Resources for Service Workers

- The Giving Kitchen provides emergency assistance to food service workers through financial support and a network of community resources. Learn more [here](#).
- The National Domestic Workers Alliance has set up a Coronavirus Care Fund for nannies, caretakers, and house cleaners to slow the spread of the virus by providing emergency assistance that enables domestic workers to stay home and stay healthy. Learn more [here](#).

Educational Resources

- Georgia Public Broadcasting and the Georgia Department of Education have partnered to provide free broadcast programming and accompanying digital resources that adhere to the state's standards to provide continued at-home learning. You can access these resources [here](#).
- The Atlanta Journal-Constitution is providing in-depth coverage to keep you informed of how COVID-19 is impacting Georgia. <https://www.ajc.com/news/coronavirus/>

Small Business Resources

- Georgia small businesses can apply for an emergency loan through the federal Small Business Administration. You can find the application here: <https://disasterloan.sba.gov/ela/Account/Login>

Resources for Healthcare Workers

- Hospitals in Georgia and across the country are in critical need of medical supplies in their efforts to fight COVID-19. Hospitals in rural Georgia are especially in need of help. Phoebe Putney Health System, which operates four hospitals in the Albany, Georgia area has online templates so you can make face masks at home. You can access more information and a list of needed medical supplies [here](#).
