MEMORANDUM

TO: Mayor and City Council
FROM: S. Yhudah-Green
DATE: July 11, 2023
RE: Public Safety Report / June Totals

Department – Employees

Pine Lake Police Dept is looking to expand our reserve program. We currently have a total of-- reserve officers. Those officers are assigned to Court Services (1), Training (1) Patrol and Administrative assignments. We are looking to (by next year) bring on 4 additional officers. (1-Admin, 1- Investigator and 2-Patrol)

- Administrative Officer: Assigned to administrative function ONLY providing “support staff” for the police department. This will allow a schedule for the dept. to receive and provide administrative services for the public: Records management, Background checks, Provide reports, (Incident, accident and open records), Code Compliance beach ambassador etc.
- Investigator: Investigate City Cases and crimes, Background checks, Collect, analyze, and prepare evidence for court. etc.
- Patrol officer: Provide additional support and force multipliers for current officers.

Note: *PLPD police services are augmented by our POST certified volunteer /reserve officers. They provide additional staffing for special events, weekends, holiday scheduling, court service etc. This saves the city thousands of dollars each year in security and public Safety. Our program is designed to afford officers to serve the community in a very specialized capacity.*

Rockbridge Road Update:

I will defer to the mayor- Project Manager reported Pressure testing is complete and the 24” line has been installed (leak detected). They also continue to monitor traffic control (barrels and driveway entrances) and the worksite clean ups (grass and trash). Lastly, they provided a schedule they will present at the Community Meeting to be held Monday, July 17th

Code Compliance/Commercial:

Code compliance continues to address Compliance concerns -with a focus on Business. Also, code compliance is working with outside resources to obtain valid contact information for absentee property owners. (Active Project)

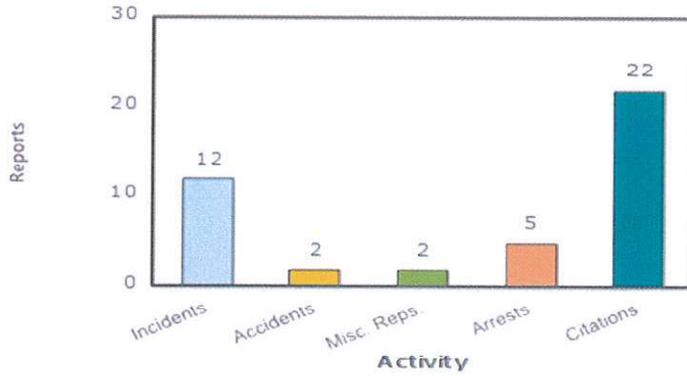

Crime and Public Safety:

DeKalb County and surrounding municipalities continue to see an uptick in vehicle thefts, entering autos and pedestrian robberies. We remind our residents to walk (especially at night and in the evening) in pairs. Let someone know when you're out for a city walk.

Extra: Waiting to receive the fleet maintenance logs from Sandy Springs police Department as they would like to donate two vehicles to the City of Pine Lake.
