Rockbridge Road

The city conducted a final walk-through with the Prime Contractor. We identified concerns and a timeline for the remaining tasks such as the GA Power installed Light pole, the remainder of the seed and sowing for the project, the flashing mid-crossing light, the wall, and the cleanup (removal of signs, cones, trash, etc.). This list will be presented with any concerns the Prime contractor may have as the "Punch out list" at a meeting and walk-through with all contractors and the County this Wednesday.

Code Compliance/Commercial

Code compliance will be addressing "Junk Vehicles" for February. Start with an online conversation, defining what constitutes a "Junk Vehicle" and then implementation. Monitor and perform compliance checks on new builds and permits. Working on Alcohol license requests

Crime and Public Safety (No new update)

Avondale and DeKalb worked together to apprehend a serial burglary suspect on Memorial. PLPD worked with DeKalb County SO to apprehend a "WANTED PERSON" suspect in Pine Lake.
